11. (New) A system of claim 9, wherein the database stores, in association with the password, a preset amount of the content that the user is permitted to access using the password.

12. (New) A system of claim 9, wherein the database stores, in association with the password, only information preset independently of the user.--
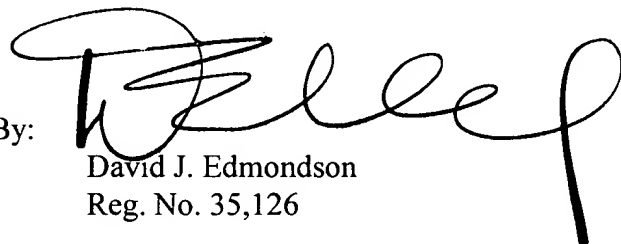

REMARKS

The present Preliminary Amendment is submitted to augment claim coverage. The subject matter of the new claims finds support in the originally filed specification, e.g., in the paragraph spanning pages 4 and 5. No new matter is added.

Applicants respectfully submit that no fee is required for the present Preliminary Amendment. However, the Office is authorized to charge any deficiency in fees, or credit any overpayment thereof, to BLANK ROME COMISKY & McCAULEY LLP, Deposit Account No. 23-2185 (109246.00103).

Respectfully submitted,
